More than 2,400 homeless individuals in 22 counties will receive daily shelter through California Department of Housing and Community Development programs

SACRAMENTO – The California Department of Housing and Community Development (HCD) Director Lucetta Dunn, announced awards of more than \$16.7 million of Federal Emergency Shelter Grant (FESG) and Emergency Housing Assistance Capitol Development (EHAP-CD) program funds to support more than 2,400 homeless individuals on a daily basis in 22 counties throughout the state. Also included in this award are funds through HCD's Multifamily Housing Program (MHP) – Supportive Housing Component which will fund 123 housing units for persons that are disabled, homeless, or at-risk of becoming homeless.

According to Director Dunn, "Business, Transportation and Housing Agency Secretary Sunne Wright McPeak and I are committed to expanding housing opportunities for all Californians. The funding announced today will directly pay for the operation and construction of emergency shelters, transitional housing facilities for the homeless and service-enriched housing for those most in need."

Funds are awarded to public and non-profit agencies to support essential homeless shelter and services in communities throughout the state.

A complete list of recipients and award amounts by county is attached, statewide and for Los Angeles and San Francisco/Bay Area regions.
